FIRST GRADE FIELD TRIP TO MICROSOFT
First graders had an amazing time on their field trip to Microsoft on April 10! While there, they learned all about the history of the company, played fun trivia games, took a behind the scenes tour of the store to see what the employees do when they are not with customers, learned coding with Minecraft, talked about technology and how important it is in our lives, created digital artwork, and they even got to play on all the awesome devices! It was definitely a field trip to remember!
