

REGISTRATION AND TUITION 2023-2024 School Year

Children will be accepted for enrollment pending a review of records including but not limited to academic, behavior, and financial; admissions testing; and interview with the administration. First priority will be given to children currently enrolled in Our Lady of the Lake School or who have siblings currently enrolled. Second priority will be given to registered parishioners of Our Lady of the Lake Parish who do not currently have children in the school. Third priority will be given to the general public. After March 1, 2023, all applications will be considered on a first-come, first-serve basis as third priority.

The Our Lady of the Lake School philosophy states "that each child is a special person – a child of God. Through our religious education program, we bring the student into contact with the whole message of Christ in a living school community of faith, which leads naturally to service of others. In partnership with parents and guardians, we strive to complement and supplement the work of parents in fostering the Christian growth of the child at the various levels of development. We provide a program of study which makes the best use of the child's time and talents. We endeavor to instill in each child, a love of learning and an appreciation of culture. We try to lead the child to realize the dynamic force of his/her life for good in the world by helping him/her to understand the intrinsic value and dignity of every human person."

The following tuition/admission policy, which is based on our Catholic philosophy of education, will be effective for the 2023-2024 school year. It is understood that all families registering children at Our Lady of the Lake School agree to abide by the contents of the latest edition of the Our Lady of the Lake School Family Handbook and all policies of the school and parish. It is further understood that all families registering children at Our Lady of the Lake School agree to meet the financial obligations according to the policy set forth below and in the handbook.

Tuition and Registration Fee

\$5500.00 per child

\$125.00 PER CHILD REGISTRATION FEE

PLEASE NOTE: The school reserves the right to refuse admission or readmission, to suspend or to expel any student who does not cooperate with the policies established in the Our Lady of the Lake Family Handbook. Policies in this handbook apply to after school hours as well. If any student refuses to follow these policies, then he or she places his or her privilege to attend this school in jeopardy. If any parent refuses to support or follow these policies, the parent places his or her child/children's privilege of attending this school in jeopardy.

The education of your child is a partnership between you and your school. If in the opinion of the administration the partnership is irretrievably broken the school reserves the right to require you to withdraw your child.

Financial Obligations

All families are required to meet all financial obligations to any and all educational institutions before enrollment in Our Lady of the Lake School can be finalized.

Tuition Payment Method

Our Lady of the Lake School uses a third party tuition collection company (FACTS). All families are required to have tuition payments electronically withdrawn from bank accounts designated by them. Payments will be electronically withdrawn from family designated accounts and deposited electronically into the Our Lady of the Lake account. Families have a choice of a two month, four month, ten-month or twelve-month payment plan for the 2023-2024 academic year. Payments made using FACTS for the 2023-2024 academic year begin June 2023. Families currently enrolled in FACTS will automatically be re-enrolled unless the school office is notified.

Families may pay tuition in full by August 23. If payment in full is made by August 23, families need not establish accounts for electronic withdrawal, and they will receive a \$100.00 per family tuition discount. **Strict adherence to the August 23 deadline will be observed.**

Families who have received the **EdChoice or Cleveland Scholarships** are not required to pay tuition electronically. Families receiving the Scholarships are required to come to the school during school hours to endorse tuition checks issued by the Ohio Department of Education by the deadline established by Our Lady of the Lake School (unless families have signed the Scholarship Check waiver). Failure to endorse checks in the school office will result in the families being required to pay the balance of the tuition owed in full. **The EdChoice and Cleveland Scholarships cover the cost of tuition. There is no balance due for the 2023-2024 school year.**

Families who have received the **Jon Peterson Scholarship** are expected to pay the difference of tuition not covered by the Jon Peterson Scholarship. The balance is due to the school office by November 1, 2023.
